1           Upon the Motion, dated \_\_\_\_\_, 2019 (the “**Motion**”),<sup>1</sup> of PG&E Corporation (“**PG&E**

3 (collectively, “**PG&E**” or the “**Debtors**”) in the above-captioned chapter 11 cases (the “**Chapter 11**  
4 **Cases**”), pursuant to sections 105, 362, 363, and 364 of title 11 of the United States Code  
5 (the “**Bankruptcy Code**”) and Rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure  
6 (the “**Bankruptcy Rules**”), for interim and final authority to (i) pay all outstanding Prepetition Exchange  
7 Obligations owed to the Exchange Operators, under those certain Prepetition Exchange Agreements, in  
8 the ordinary course as they come due, (ii) provide the Exchange Operators with administrative expense  
9 claims on account of all Postpetition Exchange Obligations, (iii) confirm the existing liens and security  
10 interests of the Exchange Operators in their collateral and authorize the Utility to pledge additional  
11 collateral to the Exchange Operators in the form of cash, letters of credit and/or other forms of collateral  
12 acceptable to the parties on account of all Exchange Obligations, (iv) permit the Trading Counterparties  
13 to apply existing cash collateral to their prepetition obligations and authorize the Utility to provide cash  
14 collateral for postpetition obligations to Trading Counterparties, (v) provide cash or other collateral to  
15 the Future Commission Merchants, and (vi) modify the automatic stay under section 362 of the

17 Setoff and to apply collateral and the proceeds thereof and settle transactions, whether undertaken with  
18 respect to collateral or obligations that arose, and whether such collateral and proceeds were posted or  
19 arose, prior to or after the Petition Date, and, upon default, exercise their rights, in each case under and  
20 in accordance with the terms of the agreements and tariffs that govern the relationship between the  
21 Exchange Operators and the Utility, and (B) Trading Counterparties to exercise any valid right to setoff,  
22 settle or recoup any mutual obligations owing by the Utility to such Trading Counterparties, and to apply  
23 cash collateral to prepetition obligations, notwithstanding any limits otherwise imposed by section 553  
24 of the Bankruptcy Code, and (vii) grant related relief, all as more fully set forth in the Motion; and this  
25 Court having jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C.  
26 §§ 157 and 1334, the *Order Referring Bankruptcy Cases and Proceedings to Bankruptcy Judges*,

27 \_\_\_\_\_  
28 <sup>1</sup> Capitalized terms used but not otherwise herein defined shall have the meanings ascribed to such terms  
in the Motion.

General Order 24 (N.D. Cal.), and Rule 5011-1(a) of the Bankruptcy Local Rules for the United States District Court for the Northern District of California (the “**Bankruptcy Local Rules**”); and consideration of the Motion and the requested relief being a core proceeding pursuant to 28 U.S.C. § 157(b); and venue being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and the Court having found and determined that notice of the Motion as provided to the parties listed therein is reasonable and sufficient under the circumstances, and it appearing that no other or further notice need be provided; and this Court having reviewed the Motion and the Wells Declaration; and this Court having held a hearing on the Motion; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and it appearing that the relief requested in the Motion is necessary to avoid immediate and irreparable harm to the Debtors and their estates as contemplated by Bankruptcy Rule 6003, and is in the best interests of the Debtors, their estates, creditors, shareholders, and all parties in interest; and upon all of the proceedings had before this Court and after due deliberation and sufficient cause appearing therefor,

**IT IS HEREBY ORDERED THAT:**

1. The Motion is granted on an interim basis, as provided herein.
2. The Utility is authorized, but not directed, to pay or otherwise satisfy all Exchange Obligations owing to the Exchange Operators pursuant to the Prepetition Exchange Agreements in the ordinary course and consistent with such parties’ prepetition practices including the payment of any Prepetition Exchange Obligations (taking into account all authorized and available setoffs or netting, and all applications of Exchange Collateral, as authorized or provided for under the Prepetition Exchange Agreements), without regard to whether such obligations accrued or became due and owing, and without regard to whether such Exchange Collateral was posted, prior to, on, or following, the Petition Date.
3. All postpetition transactions and obligations between the Utility and the Exchange Operators shall be made or withheld and undertaken in accordance with the terms of the Prepetition Exchange Agreements and all postpetition invoices shall be paid in accordance with the terms of the applicable Prepetition Exchange Agreement (taking into account all authorized and available setoffs or netting and other rights as authorized or provided for under the Prepetition Exchange Agreements).

1           4.       The Exchange Operators shall be entitled to receive and retain existing Exchange  
2 Collateral and demand additional Exchange Collateral, and the Utility shall be authorized to post any  
3 and all cash and other forms of credit support and financial security authorized under or approved by  
4 the applicable Prepetition Exchange Agreements, or as otherwise mutually agreed to by the Utility and  
5 the Exchange Operators, and the Utility shall be authorized to prepay Exchange Obligations. All such  
6 cash and other forms of credit support and financial security and all proceeds thereof shall be considered  
7 Exchange Collateral for purposes of this Interim Order. For the avoidance of doubt, the total Exchange  
8 Collateral posted in favor of the Exchange Operators will include Exchange Collateral provided by the  
9 Utility to the Exchange Operators prior to and following the Petition Date. Requests for financial  
10 security in excess of the amounts required by or under the applicable Prepetition Exchange Agreement  
11 shall be processed, and excess amounts of collateral returned to the Utility, in accordance with the terms  
12 set forth therein. To the extent not otherwise effected in any Prepetition Exchange Agreement, the  
13 Exchange Operators are hereby granted, and shall have, pursuant to section 364(c)(2) and/or section  
14 364(d) of the Bankruptcy Code, as applicable, first-priority liens on and security interests in all Exchange  
15 Collateral previously or hereafter provided to them in accordance with the Prepetition Exchange  
16 Agreements, and the creation, perfection, and priority of such liens and security interests shall not  
17 require any further action of the Exchange Operators or any other person or entity and shall not be  
18 impaired or otherwise affected by any existing liens or security interests of any other person or entity or  
19 by any debtor-in-possession financing obtained by the Utility, any rights granted to any lender, agent,  
20 or other secured party in connection with any debtor-in-possession financing, or any order of the Court  
21 in connection with any debtor-in-possession financing.

22           5.       The Exchange Operators shall have an Administrative Expense Claim in the Chapter 11  
23 Cases under section 507(a) of the Bankruptcy Code for all Postpetition Exchange Obligations.

24           6.       For the avoidance of doubt, the Exchange Operators are authorized to setoff, settle or  
25 recoup any Exchange Obligations owing by the Utility to the Exchange Operators and to apply Exchange  
26 Collateral to satisfy any obligations of the Utility, in accordance with the terms of the applicable  
27 Prepetition Exchange Agreement, whether such obligations or collateral relate to the periods prior to  
28

1 after the Petition Date, notwithstanding any limits otherwise imposed by section 553 of the Bankruptcy  
2 Code.

3 7. The Trading Counterparties are authorized to exercise any valid right to setoff, settle or  
4 recoup any obligations owing by the Utility to the Trading Counterparties, and to apply cash collateral  
5 to outstanding obligations, notwithstanding any limits otherwise imposed by section 553 of the  
6 Bankruptcy Code. The Trading Counterparties may hold any excess cash collateral as security for any  
7 postpetition obligations and the Utility is authorized to enter into new transactions with Trading  
8 Counterparties consistent with past practice and to provide additional cash collateral to the Trading  
9 Counterparties in connection with such postpetition transactions.

10 8. The Utility shall be authorized, but not directed, to pay amounts or post funds to the  
11 Future Commission Merchants in connection with the Prepetition FCM Agreements in the ordinary  
12 course of business on a postpetition basis in an amount not to exceed \$15 million.

13 9. Notwithstanding anything herein to the contrary, the Exchange Operators shall have all  
14 rights and remedies provided under the Prepetition Exchange Agreements or applicable law in the case  
15 of nonpayment by the Utility, including closing out of open transactions, application of collateral,  
16 cessation of service, set off or recoupment rights, and such other remedies as provided under the terms  
17 of the Prepetition Exchange Agreements, and the automatic stay pursuant to section 362(a) of the  
18 Bankruptcy Code is expressly waived to allow the Exchange Operators to exercise such rights and  
19 remedies without having to seek any further relief from the Bankruptcy Court and to take all actions to  
20 validate and perfect the liens and security interests granted by the Utility in the Exchange Collateral.

21 10. Notwithstanding anything contained in the Motion, the relief granted in this Interim  
22 Order, and any actions taken pursuant to such relief, the Debtors shall reserve: (i) all rights to object to  
23 a claim or assertion by any party that any of the Prepetition Exchange Agreements are governed by  
24 section 546, 555, 556, and/or 559 of the Bankruptcy Code or that such provisions in any way apply to  
25 such agreements; and (ii) all rights (including, without limitation, any right of setoff, settlement, or  
26 recoupment), claims, counterclaims, and defenses in any way relating to the Exchange Obligations or  
27 the Prepetition Exchange Agreements.

1 11. Nothing contained in this Interim Order or in the Motion is intended to be or shall be  
2 construed as (a) an admission as to the validity of any claim against the Debtors, (b) a waiver of the  
3 Debtors' or any appropriate party in interest's rights to dispute any claim, or (c) an approval or  
4 assumption of any agreement, contract, program, policy, or lease under section 365 of the Bankruptcy  
5 Code. Likewise any payment made pursuant to this Interim Order is not intended to be and shall not be  
6 construed as an admission to the validity of any claim or a waiver of the Debtors' rights to dispute such  
7 claim subsequently.

8 12. Notwithstanding entry of this Interim Order, nothing herein shall create, nor is intended  
9 to create, any rights in favor of or enhance the status of any claim held by, any party.

10 13. The requirements for immediate entry of this Interim Order pursuant to Bankruptcy Rule  
11 6003(b) have been satisfied.

12 14. The requirements of Bankruptcy Rules 4001(d) and 6004(a) are waived.

13 15. Notwithstanding the provisions of Bankruptcy Rules 4001(a)(2) and 6004(h), this  
14 Interim Order shall be immediately effective and enforceable upon its entry.

15 16. The Debtors are authorized to take all steps necessary or appropriate to carry out this  
16 Interim Order.

17 17. A final hearing to consider the relief requested in the Motion shall be held on \_\_\_\_,  
18 \_\_\_\_ at \_\_\_\_ (Prevailing Pacific Time) and any objections or responses to the Motion shall be filed  
19 and served so as to be actually received on or prior to \_\_\_\_, \_\_\_\_ at 4:00 p.m. (Prevailing

21 18. This Court shall retain jurisdiction to hear and determine all matters arising from or
